

PRIME MINISTER . PREMIER MINISTRE

It is with great pleasure that I extend my warmest greetings to everyone marking the 30th anniversary of the Association of North American Performing Arts Managers and Agents (NAPAMA).

Performing arts managers and agents are dedicated to ensuring that communities have access to the very best performing artists, while finding them the best venues in which to perform and share their work. Since 1979 NAPAMA has been committed to creating effective regional, national and international alliances that encourage professionalism and excellence amongst its membership.

As you mark three decades of service, I would like to commend you for advancing the interests of your associates and for supporting the vitality of the live performing arts sector in North America.

On behalf of the Government of Canada, please accept my best wishes for a memorable anniversary and continued success.

The Rt. Hon. Stephen Harper, P.C., M.P.
